*E.g. We are a not-for-profit group set up by residents in response to local issues of isolation and deprivation. Our aims are to 1. Reduce isolation 2. Improve community cohesion for older people living in disadvantaged circumstances in Westminster. We hold daily drop in services providing activities and support for 50 local people each week and have regular outreach services. We deliver a range of activities including exercise classes, 121 advice sessions, computer courses, befriending schemes, coffee mornings and regular outings. Our activities take place at the community centre on the ABC Estate, we are open every day from 10 am to 5pm. Our organisation is led by our CEO with 9 years' experience in community outreach, a team of 2 part time staff, 15 volunteers and a management team of 6 local residents with relevant experience.*

## Section 2: About your grant application

### Project Title

### Project Funding start date & end date

If your project is on-going, you should enter the start and finish dates of the funding period.

### Which Local Authority will the activity take place in?

Please enter details of the local authority area where the activity will mainly take place. If the activity takes place across multiple boroughs please select the central one or the borough where your organisation is based.

### Postcode

Please provide the postcode where most of your beneficiaries reside, if there are multiple places please just pick one. If it is too difficult to distinguish please provide the postcode of your organisation.

### 1. What are the problems or issues that this project will address and how do you know?

What can you tell us about the need for the work that you do? Have you done surveys, had feedback? Is there a gap in provision? Is there is nothing else in the area? Is it in response to local demand? Who will benefit and why are you focusing on them?

*E.g The majority of the people we support are refugees and asylum seekers who have been separated from their families, are bereaved, have been imprisoned and are seeking refuge. They are living on minimal allowances and do not have a permanent place to reside. They are not allowed to work so have low means and are in a state of limbo waiting for a decision on their status. We know from a recent survey of our service users that 75% would like additional support with English language and 85% would welcome local volunteering opportunities. We also know that transport is a real barrier, with 64% of our client base spending over £16 per week on transport. We are the only refugee and migrant organisation in Harrow that provides a range of courses to improve the life chances, opportunities and quality of life for migrants, refugees and asylum seekers. With 15 years' experience, a number of our service users feed in to our decision making via regular discussion groups.*

### 2. What would you do with the grant, where, why and when?

Tell us about what you need the money for and what you will do. What services and/or

---

activities will this enable you to deliver? For how many people? How often? Where? Who will deliver the activity or services? Who for? When?

*E.g We are requesting funding to support our ongoing counselling service for 75 victims of Domestic Violence (DV). Funding will be used to cover the salary of the counselling coordinator who is a qualified counsellor and has 15 years' experience of working with victims of DV. The coordinator provides training and supervision for 15 volunteer counsellors, each of which supports five people with weekly hour long one-to-one sessions. Funding will also be used to introduce a new weekly peer support session for 20 male victims of domestic violence, this group will follow the model used for the existing women's peer support group but will be adapted for the specific needs of male victims and will run twice a week over the course of a year. Services will be delivered from our rented premises in Lewisham.*

### **3. What would the benefits and outcomes be as a result of this project?**

What difference will this project make? How is this directly related to the issues you have identified? List the benefits or changes that will directly result from this project.

*E.g The project will directly benefit people in Brent by providing regular opportunities for children and young people to take part in positive healthy recreational activities. This will result in improved mental health and wellbeing, increased community cohesion and reduced isolation.*

### **4. How would you measure and report the benefits and impact this project is having?**

How will you measure your activity? How will you record the changes and impact this activity has? You might do questionnaires, keep a log of services delivered, record number of cases, referrals made or quotes from discussion with service users.

*E.g At the beginning of the project we will gather baseline data about each participant to understand their situation. Throughout the project, we will record the number of participants at every session and track their progress throughout the course of the project through face to face interviews. We will conduct an anonymous survey half way through the project to gauge satisfaction and to make sure all beneficiaries are benefiting from every session. We will track referrals to partner organisations and will monitor progress of each participant through personalised record logs. At regular points in the project and at the end of the project, we will record progress back against the initial project plan to make sure every participant's journey and progress is evaluated. We will also gather testimonies and case studies throughout the project.*

## **Section 3: Impact**

**In this section we are asking for the impact you think your project will have at the end of the funded period. The answers you'll be providing are your best estimate of how many people/hours etc. you will have reached at the end of the year.**

By setting these numbers realistically at the beginning and gathering evidence throughout the life of the funded project, by the end of the year you will be able to clearly show the impact this project has had.

There are six themes to choose from for this IMPACT framework:

- 
- **Improve people's life skills, employability and enterprise** - We want to support a thriving city that creates opportunities for people to fulfil their potential, to become more self-sufficient and to build their confidence.
  - **Maximise people's ability to strengthen community cohesion and build social capacity** - We want to strengthen and connect local organisations and improve local facilities so that people can live happier lives alongside each other.
  - **Promote reduction of isolation and disadvantage and access to services** - We want people to be connected in their local communities and to their local services, so everyone has a chance to be included.
  - **Advance people's physical and mental health, wellbeing and safety** - We want people to feel safe and connected in their communities, and to have more opportunities to improve their physical and mental health.
  - **Connect people with the arts culture and heritage** - We want to create a city that values and takes pride in the excellence and diversity of arts and culture, where everyone feels encouraged to participate, and their efforts create a lasting legacy.
  - **Transform people's access to, and engagement with, their environment** - We want to create a city that promotes and creates a safer, healthier, and more sustainable environment, where people in urban areas feel free and welcome to access community spaces.

When applying you have to choose **three outcomes** to report on, two of which will need to be linked to **one of the IMPACT themes**. The others can be any of the other outcomes listed. You will also have to choose up to **three indicators** per outcome to report on and set targets that you think you will achieve over the life of the project.

#### **To complete the impact section on the form:**

1. Select the theme from the drop down list – this will give you the range of outcomes in the drop down list attached to the impact theme.
2. Then select your 1<sup>st</sup> outcome from the drop down list
3. This will then open up the available indicators – select the indicators and fill in the anticipated numbers. **Please remember to tick the indicators that you have selected**
4. Then select your 2<sup>nd</sup> outcome from the drop down list
5. This will then open up the available indicators – select the indicators and fill in the anticipated numbers. **Please remember to tick the indicators that you have selected**
6. Then repeat for your 3<sup>rd</sup> and 4<sup>th</sup> outcome – these can be any of the others from the full list of outcomes across all themes.
7. The indicators will show for your chosen 3<sup>rd</sup> and 4<sup>th</sup> outcome – select the indicators and fill in the anticipated numbers. **Please remember to tick the indicators that you have selected**

We realise that you cannot give exact figures but please estimate as accurately as possible. This information is important and will be used to evaluate the project at the end of the grant period.

Please note this is the total number of beneficiaries supported by your organisation and its activities, and should not include staff or volunteers unless volunteers are also beneficiaries.

### How many other people will benefit indirectly and as a result of this grant? e.g. family members

Tell us about other people who will benefit from your project or service, this could be the wider community, other residents, family members, school children for example.

### How many volunteers will help to deliver or take part in this project?

Will any volunteers be taking part in this project and if so, how many? They would not usually be paid for their activity but can typically receive expenses or reimbursement for travel.

### Primary beneficiary – select a single option to represent the primary beneficiary group for this grant

From the drop down list, please click on the one group that best reflects the majority of the beneficiaries of your organisation. On doing this you will then be presented with a series of check boxes, please tick any other relevant groups that will be affected. Please don't tick them all if they don't apply, just think about who the primary beneficiaries will be. This just gives an indication, you are not assessed on this information.

---

**Ethnicity – select a single option to represent the primary beneficiary group for this grant**

See drop down options. Please select one ethnic group that best reflects the majority of the users of this facility or service.

### **Project Budget**

This section asks you to provide details regarding the amount of money you are applying for and what type of items you will be spending it on.

### **What is the total cost of the project?**

If you are asking us to fund some of your running costs, for instance, what is the total you need for running costs each year? If you are asking us to contribute towards a project or activity, what are the total costs? This must exclude any in-kind support – you can tell us about that in a later question.

### **How much has been raised so far?**

You do not need to raise any match funding and you can ask for the full costs of delivering your project. However, if you are not asking us to fund the full costs, how much have you raised already?

### **How much money are you applying to us for?**

Please enter the amount you are requesting from us. Check the criteria to make sure your request is within the grant request limit.

Click Yes or No to tell us if you are applying to other funders for funding towards the work.

### **If yes, what other funders or sources of funds are you applying to and are they secured or not?**

What funding sources have you applied to, to match against this project? Are they secured or not? If not, enter N/A

e.g. £1000 from XYZ Foundation and £1500 from ABC Trust

**Please tell us the value of any in-kind support you are receiving. This includes volunteer hours (valued at £13/hour), value of equipment, space, or publicity for example that you may be given free of charge.**

---

In-kind support is goods, time or commodities that are donated or given on a pro bono basis, instead of (or in addition to) a financial contribution. These are non-cash contributions, such as materials or services that are provided free of charge or at a reduced rate.

If you have secured in-kind support, please describe these contributions here.

If you have in-kind support, please list the type and nature of the support here. If you do not have any in-kind support, please enter N/A. ## Living Wage

Have you budgeted all staff costs at the Living Wage? Please provide any comments on any difficulties or positive impact this will have on your organisation (please type N/A if this does not apply to you i.e. you are not applying for salary costs)

As outlined in the guidance we are piloting paying the Living Wage through the Local Communities programme. The Living Wage is £8.75 per hour outside London and £10.20 in London. We are asking groups to make their applications for any staff costs at the Living Wage rates, so please budget for this in the staff costs section below. We understand that for some groups paying a Living Wage can be difficult for a number of reasons, we would like to work with groups to see how we can support you to enable you to pay a Living Wage. Also if there are any general comments on what you think about us paying a Living Wage through our grants please put them in here!

## Budget breakdown

Here you itemise the costs that will be incurred in running your project. The headings (staff cost, volunteer costs etc.) are examples of types of costs and the amount – you do not have to put a cost in each heading if it does not apply but there may be others that you need to include.

There are two cost boxes, one for the total project cost for that type of cost and one for the amounts you are applying to us under that cost heading.

The cost breakdown also allows you to enter the details behind the cost summary. These details should only refer to the elements of the project that are covered by your grant from us. Please give us a full breakdown of the costs as shown in the example below.
