Online Application Form Guidelines

**Guidance notes for completing the online application form
The Rowan Bentall Fund**

PLEASE PRINT THESE OFF and READ BEFORE STARTING YOUR APPLICATION

These are guidance notes to help you complete some of the key questions in the online application form for Rowan Bentall Fund at The London Community Foundation.

Tips:

- You can also hover over the ⓘ symbol next to each question on the online form for help on how to respond.
- Each large text box has a maximum of 250 words.
- Text boxes/fields marked with a red line need completing – without an answer you will not be able to submit your form.
- It is a good idea to draft your responses using a word processing programme such as Microsoft Word, so that you can check your spelling and word count as you go along. Please note: word and the application form treat word counts in different ways. For example Word counts B&YC as one word and the application form as three words.
- As you enter your information on the online form, remember to save your progress periodically by clicking on the 📄 symbol on the right hand side, to prevent you from losing your work in case of internet issues.

Section 1: About your organisation

Organisation Name, Address and general contact information

Please provide details of your organisation as it appears on any governing documents. If you are known by another name, please tell us about this as well. (Please put in Name known as xxxx in the answer box). Please include details of your website and any social media accounts you use.

Main Contact Person

Please provide details for the main person who we should contact in relation to this application. If you are shortlisted we will contact you to arrange a phone call to discuss your application, so please ensure that we have correct contact details, preferably a mobile number and email. We will contact you within one month of the closing date. If there is a chance you might be away during this time, please attach a document with an alternative contact person and their details.

Using the selection buttons you can indicate where correspondence relating to the grant should be directed. If your organisation has an independent address but you wish correspondence to be directed to an alternative address, un-tick the option "Use organisations address" for correspondence and you will be presented with the opportunity to enter different/additional contact details.

Organisation start date

Please let us know the month and year that your group was set up or formally established.

What type of organisation are you?

You do not need to be a registered charity or company limited by guarantee to apply, but we do need to know more about the "status" of your organisation.

Please select all types of organisation which apply. If you are a registered charity please supply your charity number, if you are a registered company please provide your company number. If you check 'other' please specify what type of organisation you are.

Are you part of a larger regional or national organisation?

Please tell us if you are part of a larger regional or national organisation. If you are not please leave this blank.

If you are a sub-group or committee of a larger group, or a local branch of a national charity, we can only fund you if you can demonstrate that you operate independently. This usually means you have separate rules & regulations, an independent committee, a separate bank account and are responsible for generating your own income. Please explain this in the question on aims and objectives of your organisation.

Income over the last account year.

Please let us know your organisation's income over the last financial year. If you are a new organisation what is your income to date from your management accounts.

Average yearly income

Please let us know your organisation's average income over the last three years. To calculate this add up the total income of your organisation in your last three complete financial years, and divide by three. If you have been in existence for less than three years please let us know the average income over the lifetime of your group to date. You may be asked to provide evidence of this.

Staffing and volunteers

Please let us know how many full and part time staff your organisation employs. If applicable let us know how many members and volunteers your organisation has. Your Management Committee may be known as your Trustee Board. (We recommend there is a minimum of 4)

Please describe briefly the overall aims and objectives of your organisations and the activities or services your organisation provides.

Please tell us about your group's aims and objectives and give a short description of what your organisation does at the moment (usually found in your governing documents). For example, *"We are a youth club for young people in a small village 20 miles from the nearest town. We meet every Tuesday night from 6pm – 9pm. We provide a number of free activities to local young people, including DJing, dance, drama and monthly cooking sessions, to meet and support their ideas and interests. There is no other facility in the locality."*

If you are part of a larger regional or national organisation please explain your relationship here.

To help us understand the difference you make please tell us how you have helped an individual in the past and the change your organisation has made to their life.

Please provide us with a brief case study.

Please explain how you know that people in the community need your work and what evidence you have to demonstrate this

We are interested in understanding more about the need for the project or activity. Have you undertaken any surveys, had feedback from current users, identified a gap in provision etc.? Is it because there is nothing else in the area? Has it been set up in response to local demand?

Bank Account Details

Please provide the names and addresses of all authorised signatories on your bank account, please indicate if any signatories are related. Bank accounts should have at least two unrelated signatories and preferably three.

Section 2: About Your Grant Application

Which area (estate / region / borough) do most of the people who benefit come from?

Please tell us what area your organisation serves in London, this may be a borough, region of London, a specific area or estate. Remember for this fund this must be either Richmond or Kingston.

Which local authority will the activity mainly take place in?

Please enter details of the local authority area where the activity will mainly take place. If the activity takes place across multiple boroughs please select the central one or the borough where your organisation is based.

Please provide a postcode which represents the geographical area you will benefit.

Please provide the postcode where most of your beneficiaries reside, if there are multiple places please just pick one. If it is too difficult to distinguish please provide the postcode of your organisation.

Please explain how the people or community accessing your services are disadvantaged and tell us about the issues they face.

Who is it that will benefit? This might be a particular age group, residents in a certain area, certain types of people such as single parents etc. We also ask for further information in Section 3 so make sure the two answers tie up.

What would you like to do with the grant?

This is where we ask you to tell us about what you need the money for. If you are applying for capital equipment, tell us what you want to buy and what benefit it will have i.e. what you will use it for. If you are applying for ongoing activities or new work, what is it that you would like to do? For example:

“We are requesting funding to train 10 new volunteers to deliver support to people who have experienced domestic violence. Each volunteer will complete an OCN accredited 6 day training course ‘volunteering with survivors of domestic violence’ which will equip them with increased knowledge and understanding of DV and increased skills provide practical and emotional support to survivors. Each volunteer will use their training to provide regular tailored support for an individual DV survivor, helping them to live a safe and healthy lives. Each volunteer will work with up to three individuals.”

Is this new work?

Please check this box if the work proposed is new for your organisation. If you are applying to continue existing work please leave this blank.

Please outline the benefits and outcomes you expect to achieve as a result of the funding

What are the benefits or outcomes of your project? An outcome describes the benefits or changes that will happen as a result of your work i.e. the impact your work is having. Please provide outcomes for beneficiaries, and also consider outcomes for your organisation, partner organisations, and the area. Outcomes begin with ‘change’ words such as ‘improve’,

or 'reduce'. Words like 'provide' and 'deliver' are for objectives, not outcomes, because they refer to the activity that you will be undertaking rather than the change that you want to make.

Examples of outcomes for beneficiaries include:

- improved mental and health wellbeing
- increased confidence and independence
- improved skills and knowledge
- decrease in risky behaviour

Examples of outcomes for your organisation might include:

- improved governance
- improving the quality of service delivery
- expansion of service provision
- increased skills amongst staff and volunteers

It's likely you'll have a number of benefits or changes that you're aiming for – you can list them if you prefer.

Please explain how you will collate, measure and report the benefits and changes that you describe above

Please explain how you plan to track and measure the change that you hope to achieve through your project. You might plan to have informal discussions with staff or participants, ask staff to complete questionnaires, or gather people together in one place to feedback on the project. Using a variety of methods will enable you to gather detailed and rich information that will help you to know how well your project is doing. All the information you collate should therefore enable you to report on your progress towards achieving your outcomes, so make sure that for everything you want to measure you have a method of gathering information as evidence. Monitoring and evaluation should be an ongoing process that you undertake regularly throughout the lifetime of the project, not just at the end. If you are successful in securing a grant you will be required to provide an end-of-grant monitoring report. We will give you a copy of this report at the beginning of the grant so that you know what information you need to collate.

Please tell us about your organisation's experience of helping people and the impact of your previous work; you may also want to tell us about the people involved in your project and why you are confident in their ability to make the project succeed.

This is about your organisation's track record in delivering the proposed project or similar work you have delivered in the past. If you are new to delivering this type of work, please tell us about the skills you have in your organisation, that will help to ensure the project will achieve the intended impact. You can also tell us about any partners.

A strong answer will include clear evidence of the outcomes and success that your previous work has had. For example: for a project working with NEET young people (those Not in

Education, Employment or Training) – "In the last year 30 out of 50 beneficiaries have gone back into full time education, 95% of beneficiaries reported an increase in confidence, etc..."

How do you see this project/activity progressing after this funding comes to an end or do you see this as a one off project/activity?

Some activities we fund will be one-off projects that don't ever take place again. You might be looking at running a pilot project that, if successful, you will organise again at a later date. You may also be asking for funding to support work you have been doing for several years. All of these activities are eligible, just tell us more here. Evidence may be required e.g. photographs, comments and views of people involved in the activity.

Please tell us about local networks or partnerships your group is involved in, and in particular if you are working in partnership with local organisations to deliver this particular project (formally or informally)

Tell us about any partnerships that you are involved in - especially if they are part of the delivery of your project

Section 3: Impact

In this section we want you to think about the long term impact that this funding will have on your organisation's beneficiaries rather than the immediate internal impact for your organisation.

Which category best describes the impact your project will have?

Select a category from the **drop down list** which best describes the impact that your project will have.

Select the primary (and second/third if applicable) outcome for your project or activity.

Select a category from the **drop down list** which best describes the outcome(s) that your project will have.

How many people will directly benefit from this grant?

Please estimate how many people will directly benefit from any changes to your organisation which as a result of this funding, throughout the funding period. We realise that you cannot give exact figures but please estimate as accurately as possible. This information is important and will be used to evaluate the project at the end of the grant period.

Please note this is the total number of beneficiaries supported by your organisation and its activities, and should not include staff or volunteers unless volunteers are also beneficiaries.

Other people benefiting

Tell us about other people who will benefit from your project or service. For example family members who are not taking part in the project

Beneficiaries

From the **drop down list**, please click on the one group that best reflects **the majority** of the **beneficiaries** of your organisation, this will then be entered in the selection box. On doing this you will then be presented with a series of check boxes, tick any other relevant groups that will be affected. Please don't tick them all if they don't apply, just think about who the primary beneficiaries will be. This doesn't have to be 100% accurate, you're just giving an indication.

Ethnicity

From the **drop down list**, please select one **ethnic** group that best reflects **the majority** of the users of your organisation and enter it in the box provided. Then, using the check boxes, tick any other ethnic groups that will be affected. Please don't tick them all if they don't apply, just think about who the primary groups will be. Again, this doesn't have to be 100% accurate, you're just giving an indication.

Issues addressed

We are interested in the **Issues** that will be addressed by this grant. From the **drop down list** **the primary** issue that will be addressed by this grant. Then, using the check boxes indicate any other issues that will be addressed.

Age group

Finally we would be interested in knowing which **Age groups** would benefit from this grant. Please enter in the text box / dropdown the age group that represents **the majority** of the beneficiaries of your organisation. Then, using the remaining check boxes indicate any other age groups that will benefit.

Are you seeking other funding towards this project?

Tell us here if you are applying to other funders for funding towards the work, if yes please provide details.

Budget breakdown

Here you itemise the costs that will be incurred in running your project. The headings (staff cost, volunteer costs etc.) are examples of types of costs and the amount – you do not have to put a cost in each heading if it does not apply but there may be others that you need to include.
