Thamesmead Community Fund – Online Application Form Guidance **(for Organisations and Individuals)**

These are guidance notes for both the ‘organisation’ and ‘individual’ applications to help you complete some of the key questions in the online form for the Thamesmead Community Fund at The London Community Foundation. The same answers are required for all sections, except Section 1 and Supporting Documents, where different information is required (see below).

Tips:

- You can also hover over the ⓘ symbol next to each question on the online form for help on how to respond.
- Each of the large text boxes will have a maximum word limit.
- Text boxes/fields marked with a **red line** need completing – without an answer you will not be able to submit your form.
- It is a good idea to draft your responses using a word processing programme such as Microsoft Word, so that you can check your spelling and word count as you go along. Please note: word and the application form treat word counts in different ways. For example Word counts B&YC as one word and the application form as three words.
- As you enter your information on the online form, remember to save your progress periodically by clicking on the  symbol on the right hand side, to prevent you from losing your work in case of internet issues.

Project Budget

This section asks you to provide details regarding the amount of money you are applying for and what type of items you will be spending it on.

How much money are you applying to the Thamesmead Community Fund for?

The maximum you can ask for is £2,000, and you can request the full cost. Project costs are the priority for this Fund (i.e. sessional and activity costs), although some running costs can be requested. The total cost here should not include in-kind costs, such as free equipment hire.

How much will your project/activity cost in total?

Where a project costs more than the amount you are requesting, please give the total cost here.

Are you seeking other funding towards this project?

Tell us here if you are applying to other funders for funding towards the work. If yes, please provide details.

If Yes, what other funders or sources of funds are you applying to and are they secured or not?

What funding sources have you applied to, to match against this project? Are they secured or not? i.e. £250 awarded from XYZ Foundation and applied for £250 from ABC Trust.

Living Wage

As outlined in the Fund Guidelines we are now a Living Wage Funder. This scheme, run by the Living Wage Foundation means that LCF actively encourages and support applications from organisations willing to pay staff the Living Wage which is £10.85 per hour in London. We are asking applicants to request staff costs at the Living Wage rates, so please budget for this in the project's staff costs. We understand that paying a Living Wage can be difficult for a number of reasons, we would like to work with groups to see how we can support you to enable you to pay a Living Wage.

Budget breakdown

Here you itemise the costs that will be incurred in running your project only. The headings; staff costs, volunteer costs, etc.; are examples of types of costs and the amount – you do not have to put a cost in each heading if it does not apply but there may be others that you need to include.

There are two cost boxes, one for the **total project cost for that type of cost** and one for the **amount you are applying to us under that cost heading**.

The cost breakdown also allows you to enter the details behind the cost summary. These details should only refer to the elements of the project that would be covered by a grant from us. Please give us a full breakdown of the costs as shown in the example below.

Staff Costs

Requested amount	1,280
Total amount	1,280
